Homecoming, a time of school spirit and bringing friends together, is about the experience and supporting your peers. Moments that seem so short create memories that last a lifetime. On September 16, 2011, the Rensselaer Bombers were victorious against the Twin Lakes Indians for the fifth year in a row. Although the game was a close call with two OT's, it was a moment to remember for Coach Meeks, winning his 100th game in his 151st try. During halftime, another win took place as Jeana Webb was crowned Homecoming Queen. Celebrating Bomber victories at the homecoming dance adds to the fun of getting together with friends, moving on the dance floor, having a few laughs and sharing fond memories. With everyone still pumped up from the game, the homecoming dance is a great way to let loose and have fun. Homecoming 2011 will not be easily forgotten.

COMMUNITY SERVICE CLUB

Community Service Club has bette red the school

Despite popular belief, community service club s not a group that meets every now and then to have something to put on a college resume. CSC is a group of students congregating to petter the school and the community. Student inginuity is welcome at CSC, Students Zach Horner and Trent Nagel decided to put together their own project which they found online. SUNSHINE SOCIETY

Over a hund[red] strong

Definitely one of the more popular clubs on campus is Sunshine Society. Sponsored by Mrs. Schneider and Mrs. Cook, Sunshine puts on multiple events and holds many fundraisers. The Sunshine dance is one of the biggest projects for the club. The girls of Sunshine also sell candy to raise money for the club, and with all the sweet tooths at RC, making money is like taking candy from a baby (no pun intended). Sunshine also buys presents for kids on the Angel Tree during the holidays and sponsors a Prom for the Care Center. The girls of Sunshine always seem to have a smile on their faces, bringing some "sunshine" to everyone's day.

"FCS is a group of students who are out to enlighten our community about religion." Garrett Smith said when asked about the club's purpose. One of the big events that FCS puts on is their annual banquet. This year's banquet was named "How Will you Finish?" With a running/race theme. It was arranged by the members of FCS to help promote religion and the path of righteousness through songs, skits and praver.

WINTER BREAK

Ventu[rcd] toward a Winter Wonderland

Happy Holidays! Even if you don't like the cold weather, there are plenty of activities for you to do and still have fun throughout the week. Many of our winter athletes did not get a break from the practices and the occasional game, but all that hard work is what is demanded from them as Bombers. The coming of winter means it is about that time to break out the gloves and the winter coats! Most people staved in Rensselaer and enjoyed their week off, but some traveled to warmer destinations. There wasn't a whole lot of snow, but few people complained about the lack of it. All in all, this winter break was a good time. You could break out the hot chocolate and curl up with a blanket to watch a good movie. Whether vou prefer staving inside or playing outside, there is always something to do in this Winter

Students worked hard to get that beach body everyone wants for Spring Break, They loaded up the boogle boards and sunscreen and were on their way to their various vacations, Cancún and Florida were very popular for many students this Spring Break. While some were soaking up the sun, others had their own fun staving in Rensselaer during the week. Spring Break gives everyone a chance to catch up on sleep and relax for a while before we go back to all the tests and quizzes that come with high school. Instead of bumming on the beach and riding the waves. students come back to Rensselaer to study and ride the bus. We all trade in our bikinis and swim trunks for coats and pants and resume everyday school life.

The choir thanks everyone for their support during this past year.

Earning C[red]its in mathematics

For not a cor our cross of the correct of the corre

For some students, math may not be a fun thing to do, but it's a core class and is needed for our future. Every day Mrs. Cook, Mr. Simpson, Mrs. Henady and Mr. Stevens work hard to help students earn credits in mathematics. In order to be successful, you have to have a good education, and that requires hard work and dedication. Math plays an important role, "Math may not be my best subject, but I know all of the math teachers at RCHS will strive to help me in any way possible to keep my education going," says freshman Mackenzie Meeks.

HEALTH OCCUPATIONS

Prepa[rcd] for the Future

RCHS offers many programs to help students prepare for their future and follow their dreams. Health occupations is an all year class that can help students have real experiences in the medical field. Sometimes they do work on each other, but they do most of their work on a practice dummy. This gives them an idea of what it is like to actually work on someone. This class is here to help students do what they love and have fun doing it. Lately, they have been visiting the local Jasper County Hospital to see what it's like to be in the medical field. Most students enjoy this class and are planning on pursuing careers in the medical field.

Mrs. Cook and Denise Cooley train every dance team member, and with every step and pop, the talent shines. Mistakes and falls only make each student better, and every performance shows how much they have been working in each practice to achieve their goals. The crowd looks forward to the team's skills during half time. They get everyone pumped up for the most critical part of the game, when everyone is on the edge of their seats. "This season has been great." says Denise Cooley, "We more than doubled in size, and we did some more advanced routines. It was a great group of girls, and they made the dance team thehighlight of my senior year.

Honored to twirl the flags

Color Guard is all about twirling the flags, having fun, and being a team on the court, football field, and during a choir or band concert. It takes major skill to perform in front of a crowd full of people usually on a Friday night. With everyone's eyes on them, some could say it is the most pressure-filled sporting event. The color guard team has come a long way in the past few years, improving with the passing of each season. The color guard is a fan favorite due to their fun and entertaining halftime shows, whether it be at a football or a basketball game. Not only did they perform in Rensselaer, they also traveled to competitions all around the state representing RCHS. The team will be sad to lose seniors Angel Zenner and Heather Hammond, but these girls won't forget this exciting year of Color Guard for a long time.

1) Senior Angel Zenner prepares to start the performance. 2) Heather Hammond eagerly awaits the beginning of a performance. 3) Heather Hammond practices before the big show. 4) Angel Zenner and Heather Hammond are all smiles with a friend from the middle school. 5) The two seniors practice with the band before a Friday night football game. 6) A fun moment for the girls of Color Guard, one they won't soon forget.

BOYS SOCCER

Bombers clea[600] the ball

The boy's soccer team had some new recruits to start off the season. This year, they had a tough season and even if they were losing, they tried to pull out all the stops to come away with a victory. There were three senior starters on the team: Mauricio Ruiz, while achieving all conference honors, was a great contributer, Chase Kaufman showed his defensive prowess by winning Defensive Player of the Year, and Chris Peterson was Offensive MVP. The Bombers had a young team this year, with many freshmen and sophomores contributing to the efforts they all put into the sport. Everyone on the team worked hard and played harder to achieve a 5-9-2 record. Great Work, Guys!

GIRLS SOCCER

The girl's soccer team will sadly lose four seniors this year. Kelsey VanderWall, Houston Holliday, Hannah Smith and Paige Shafer left with a bang, producing the best season in their four year tenure here at RCHS. These four girls have all been starting varsity since they were freshmen. The ladies battled hard through the whole season and came away with 6 wins. Even when the scoarboard wasn't in their favor, the ladies battled until the final whistle. The Lady Bombers competed admirably in almost every game they played this season. Congrats, Girls!

BOYS X-C

Da[red] to push ourselves to the limit

This season the departure of last year's seniors and multiple injuries left the RCHS boy's cross country team with a whole new varsity team. Trent Nagel, the team's only returning varsity runner, helped to push the younger and inexperienced members of the team to another undefeated season. For other returning runners, it was a season that started with good hopes and strong running. As time went on, so did the amount of injuries on the team. The team faced everything from broken ankles and clavicles to shin splints and infected tendons. Thanks to the team's "Brick Day" workouts, hard work, and dedication, a new varsity team was quickly built. The runners developed into a strong team when told they had no chance. Cross Country isn't skill but strength and heart. No one knows this better then the underdons. the RCHS boys XCI

Starting their season off this summer, the RCHS Girl's Cross Country team showed signs of a great season to come. With strong numbers and an even stronger attitude, the girls began training for one of the hardest things they ever did. A new team was led through the season by the four returning juniors: Rachael Dobson, Haley Tow, Mariah Walters and Reanna "V" Ohlund. When asked how she felt about this season, Rachael Dobson had this to say, "I felt we had a really great season, and since we aren't losing anyone, we should do great next year!" With another great year of girls XC out of the way, the girls of this sport have already began training for next year. They have a great season to put behind them, and an even better one to look forward to.

VOLLEYBALL

Redlirected their season

The Lady Bombers Volleyball team deserves a lot of credit after losing many good players to graduation. They redirected their season after getting off to a slow start. The first part of their schedule included state ranked opponents, but that was not going to bring down the Lady Bombers behind their new senior leaders. Tori Robertson, Ashley Kleinkort, Jeana Webb and McKenzie Gray. All the Lady Bombers agree their best win this season was against a very talented Winimac Warriors team. They were down going into the fourth game, yet the Lady Bombers, behind their fearless leaders, came back and won the next two games to give them a 3-2 game victory. When asked about the season, Tori Robertson said, "This year was fun. We didn't have a winning season, but we felt like a family. This is the closest I've felt to a team before. I wish them luck in the following years, I'll miss you all! P.S. the slumber party was a blast!"

JV VOLLEYBALL

Redeveloping the younger Lady Bombers

The Lady Bomber JV volleyball players were redeveloping themselves this season. Nobody knew what to expect out of this year's Lady Bombers JV team with three freshmen in the starting line-up, but they came out and attacked every team they went up against. They were all over the court, whether it was sliding across the floor to get an important dig or hitting a ball that was shooting out of bounds. These Lady Bombers had a very successful season with a fair amount of wins. The JV Lady Bombers always delivered very exciting games to watch. Much of the time, the JV Lady Bombers would bring the game down to the wire, keeping the students, parents, coaches, and the announcers on the edge of their seats until the very end.

The Rensselaer Bomber JV Football team did extremely well this year. They worked together to achieve an 8-1 record. From running the ball to throwing it on the run, they executed almost every time they got the ball. The entire team worked hard to show everyone what JV was all about, and they all did a very good job. Many of the young kids on JV were very talented this year, and it seemed they all had a mindset to get better and better. The players played so well because of their positive attitude, and they ended up coming out of the season with just one loss. Next year will be a promising year for the guys on this team. The Bomber football team conquered some good competition despite the fact that they lost 18 of 21 starters from last season. Some of the hard competition included West Lafayette and Lafayette Central Catholic (1A State Champions). By far the most thrilling game to watch was the Twin Lakes homecoming game. The Bombers had their greatest victory of the season,winning 28-27 in double overtime, for Coach Meeks' 100th win. The Seniors all agreed this was the best game of the season, and it was a game that they will remember for a long time to come. BOYS SWIMMING

Boys Swim Team Prepaired to Make a Splash

Boys Swimming deserves a lot of credit after this year. They have had their struggles, but they fought through it with their "Turboswag." It takes dedication and hard work to be a swimmer at RCHS, which the whole team has proven. They pushed themselves at practice and it showed at their meets. Everyone was supportive and was always willing to help out. Whether it be butterfly, breaststroke, sidestroke, or freestyle, the team was all in. Students say they enjoyed the season, and most plan on continuing the sport next year with the exception of the seniors who are moving on to college to pursue their future careers. Overall, this swimming season was a success with eleven wins and two second place finishes.

GIRLS SWIMMING

Ploofominant Wins For the Girls Swim Team

This season took a lot of work and dedication from the girls swim North Judson team. Mrs. Henady worked hard with the girls every practice to get them to where they were. Though the girls took some time out of their practices to have a little fun, they still knew how to get down to business. The girls were always there for one another to help or give advice to their fellow teammates. Finishing Sectional Finals in 7th place took a lot of practice and endurance from the RCHS girls. When asked about breaking the record for 100 Backstroke, freshman Sydney Dobson said, "I was so excited, and I couldn't believe I had just broke it!" Other girls also had a good year. Senior Karly Hay stated, "For myself, losing is not coming in second, it's getting out of the water and knowing you could have done better. Thanks to my coach and the girls on the team. I have won every race I've entered." Sectional Finals: 7th Place

GIRLS BASKETBALL

Deciphe[red] the keys to victory

The girls basketball season was fueled by a long mid-season win streak. Under the direction of Coach Marlow, the girls proved they can play with anyone they step on the court with. They finished at three wins and three losses in a tough Hoosier conference. When the postseason rolled around, the team's hard work showed in a close cross-county battle with Kankakee Valley, in which the Bombers unfortunately fell by 3 points. The ladies battled fearlessly, and although their goal of a sectional championship was not met, the goal to improve, achieve and unite as a team was greatly surpassed. Every player on the team contributed in their own individual way, and these girls made Lady Bomber Basketball 2011-2012 season very memorable.

Scoreboard

The Lady Bombers JV basketball team took great strides to better themselves on the court this year. Junior Varsity is an excellent chance for younger players to gain valuable playing time while preparing them for varsity play. This season's team showcased several players who will undoubtedly be joining the varsity team next season. With seniors Allie Deno and Lauren Sammons departing at the end of the season, there are spots to fight for. With that in mind, these girls put their all into every minute they played, making for some excellent haskethall!

The JV boys basketball team had a very successful season given the freshman heavy team. The JV Bombers were led in scoring by Joey Claussen, who averaged 9.2 PPG. He was quickly followed by point guard Bryce Deno who had a 7.9 PPG. Even though the young Bombers were great on the offensive side of the ball, they were even more dominant on the defensive side of the ball. They held their opponents to around 35.3 points a game, and they averaged 37.6 PPG. The JV Bombers lost five of their hard fought games by 3 points or less. The best part about this young Bomber team was their ability to work well together and get the job done.

1) Beau Boswell, Joey Claussen, and Devin Dewees await the offense as they sit in their 2-3 zone defense.
2) Devin Dewees plays hard "D" and keeps his opponent from getting the ball. 3) Nathan Myers sinks a much needed free throw to make it a very close game in the fourth quarter. 4) Joey Claussen uses his size to block out the other team, so he can get a rebound. 5) Austin Fleming waits to pass the ball in on a sideline play.
6) Point guard Bryce Deno makes a move as he brings the ball up the court. 7) Chandler Gull guards his opponent as he runs across the side of the court.

BOYS BASKETBALL

Admi[tcd] by most

The Boys basketball team had a decent year under Coach Kevin Sims. The Varsity Bombers were led by a group of seniors in Jake West, Clayton Weishaar, Tanner Odle, Griffin Kanne, Trent Nagel, Keaton Lyons, and CJ Marohl. Even through the injuries the Bombers fought from start to finish with their relentless play from rim to rim. The Bomber basketball team was led in scoring by Tanner Odle with an outstanding 233 points and Clayton Weishaar at a close second at 207. Clayton Weishaar led the team with a devastating 17 blocks, and a mind-blowing 134. Point guard Trent Nagel led the team in assists with 45 and in steals with 26, Griffin Kanne was right behind him with 44 assists. Jake West dominated when it came to free throws, shooting a WHOMPING 78,13%.

VARSITY BASEBALL

Chatte[red] to distract

The baseball team chattered their way to a great season. These boys played top competitors, including teams like Central Catholic. As Central Catholic was the class 1A State Champions two years running, only losing by 1 run was a great feat for our guys. The Bombers were contenders in almost every game with with the exception of a few. Despite the resignation of Coach Zacher, the Bombers are doing very well for Coach Schlueter in his first season as head coach. This Bomber team will have some varsity spots to fill next season with the loss of 6 seniors. All 6 seniors started playing as freshman, and are now leaving as the same 6 as they end their senior year.

The JV baseball team feared no one this season, going 14-9. The Junior Varsity boys played well all year and have shown that they can play with the big dogs. When it comes to hitting, look no further than Jacob Foster who ended the year with an astonishing .667 batting average. He was an absolute monster at the plate and a pitcher's nightmare. On the mound was strikeout king Dalton Murphy, who sat 46 batters on the bench. When it is time for these boys to move up to varsity, with the line up they have are sure to impress all who watch. These boys have the complete package and worked well together all season long.

1) Cole Hickman gets a great hit and heads for first base. 2) Nathan Ziese makes sure the runner stays at first with the tag. 3) Dalton Murphy makes an out with this pitch. 4) Dylan Wright is the man behind the plate. 5) Aaron Mattocks has his eye on the ball for the base hit. 6) Cole Hickman swings and aims for the fences. 7) Jake Steinke, Avery Walker and John Ohanis warm up playing catch before the big game.

VARSITY SOFTBALL

Gestufred to advance

This year's softball team has had the one of best records in Bomber history. These girls have done great this season, and most will return to the field next season. Their accomplishments are a great acheivement. Everyone should be proud of how far these girls have gone this year. Although 5-20 is not the best record, it is a great improvement from last year, and with only 4 seniors to replace, next year seems to be very promising. Coach Kim Denton kept the girls heads up during the year. The girls had a good chance going into sectionals. However, they came up short and lost to Kankakee Valley in the first round. This team may have came up short this year, but watch out, they will be back next year and tougher yet.

ULTIMATE FRISBEE

The first annual ultimate frisbee tournament class competition was a big hit! Dozens of Bombers showed up to compete and earn the title of ultimate frisbee champs. A hodge podge of students competed, but the senior team of Zach Horner, Chris Peterson, Trent Nagel, Lauren Sammons, Dustan Wagner, Garrett Smith, and Brandon "Brando" Brenneman came away with the figurative trophy. The ultimate frisbee tourney was a little unorthodox and not quite as formal as Powderpuff and Men's Volleyball. However, ultimate frisbee is a great way for players to showcase their athleticism. "Ultimate Frisbee is a crazy mixture of football, golf, bowling and lacrosse," said Brandon Brenneman about the relatively new sport.

1) Brandon Brenneman flips it to Garret Smith. 2) Paige Wynkoop tries to move upfield while Aniel Clemente defends. 3) Taylor Gastineau tries to keep up with speedy Troy Phillips. 4) Allie Deno tries to swat Garrett Smith's throw. 5) Jeana Webb picks up the disc on a turnover. 6) Sportsmanship is key in ultimate frisbee win or lose! 7) Mary Wadell throws to Troy Phillips, 8) Troy Phillips reads the throw by Anjel Clemente, 9) Senior team number two isn't disappointed by their loss.

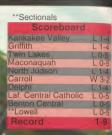

BOYS TENNIS

Stay heads up or you will get snipe[rcd]!

Sniper! Look out because if you're not on your game you're going to get a ball in the face. Just ask Griffin Kanne, "I like to make sure Gumz is always paying attention." There is no shortage of effort on the boys tennis team. If the basketball team isn't careful, there could be some new kings of the court. Every afternoon, the boys could be seen out on the courts bettering themselves. This year's team was led by four seniors surrounded by mostly younger players. Tough area competition left the team with just one victory, but that doesn't mean the season wasn't a success. Great strides were made for the future teams to come and as for the four seniors, congratulations on excellent careers.

Love, ace, double fault, advantage, approach, deuce. A dictionary may be on the list of things to bring to a tennis match. However, the RCHS girls tennis team knows exactly what they are doing. They did not win many matches this year, but a young team such as this one has potential for the future. The girls tennis team won't hang their heads down about this season; they only look forward to the imminent success in the upcoming season. Senior Grace Rodibaugh had a great season as the team's number one singles player. She even accomplished her goal of making conference. Number one doubles partners Tori Watson and Courtney Schleman also experienced success this season. It was a great year for girls tennis.

GIRLS TRACK

Cove[ted] the distance

The girl's track team was small in numbers but big in success. This year's team was mostly underclassmen: there were only two seniors. However, that's all the leadership they needed. Jeana Webb, the team's number one shot putter and also a successful discus thrower, and Kelsey VanderWall were the teams senior leaders. The team also rallied around discus star Chelsie Meeks. Meeks finished fifth at the state meet last season as a sophomore. This year, she won sectionals and tied the sectional record while nursing a sore knee. Chaos condones giving credit where it is due, and all of RCHS is extremely proud of Chelsie Meeks for her accomplishments. She held the farthest throw in the state all regular season. State competitors are rare, and Chelsie's work ethic and perserverance sets a great example of how hard work pays off.

On the subject, four seniors advanced to regionals behind their strong sectional performances. Travis Flannigan and Shane Martin threw for the Bombers, and Brooks Rodibaugh and Tyler Kem had success in pole vault. Other stand outs for the Bombers were Tanner Odle at high jump and hurdles, Adam Black also was successful at hurddles, and Jace Horner and Matt Dobson ran mid-distance. BOYS GOLF

Conju[red] a win against top competitors

The boys conjured up wins against top competitors this year. The team returned this season with its top players. During the season, many have shown they are great golfers. When it comes to sectionals at Valparaiso, other teams should be scared. At their home course, they know the greens like the back of their hands. They know how to read them and how the ground will affect the ball's travel. This season. Chris Salrin has shown he was worthy to be the number one golfer; he shot well in most matches. Looking at the rest of the roster, almost everyone this year has been near the top, "The JV players can compete against other teams just as well," said Coach Phillips, who has quite a great program going. Go Bombers!

The girls declared victory again with another great season. It was Katie Davisson's last year, the team's #2 golfer, second only to Bobbie Jo Culp. Bobbie Jo came just one stroke short of going to state. "In the hole" was what she would always say as her putts rolled towards the cup. The girls went 9-3 this year and placed second in the Hoosier Conference. In Sectionals, they placed a solid third and finished the year placing eighth at Regionals. They also finished well in many invitationals. Anyone playing these girls should have been scared. They were tough, and most of the team is going to be back next year. Katie Davisson will be tough to replace, but the other girls are sure to step up to the tee and accept the challenge.

1) Amanda Hickman puts in work on the practice green. 2) Tori McEwan begins her downswing. 3) Senior Katie Davisson is an expert at reading greens. 4) Savannah Eldridge follows the flight of the ball. 5) Bobbie Jo Culp is ready to crush the ball with her power swing. 6) Laura Tonner addresses the ball at the ladies' tee. 7) Savannah Steinke keeps her eye on the ball to ensure a perfect swing.

SENIORS

Finally we have reached the pinnacle. This year has been great for the Seniors. Many memories were made this year, including a win against Twin Lakes at Homecoming and a fantastic Prom. just to name a couple. Most of these seniors have spent four years roaming through the halls of RCHS, making this place feel like a second home. The faculty and the people inside have become so close that they're like a second family. As the class of 2012 takes their last steps in RCHS as students, we honor our seniors and show how they got to this point.

JUNIORS

The Juniors tend to be the rowdiest class in the school They are upperclassmen but not quite as great as seniors. Next year, they will be the top dogs, but for now, they are just junior stuck in the upper part of the middle. This vears Juniors won Powderpuff for the third time in a row. While getting ready for their Senior year, they still manage to have fun and stay on top of their school work. The Juniors have learned so much in so little time during high school. From being freshman and aettina used to high school. to almost ruling the school. Next year will be the most memorable year in their high school careers. Good Luck, Juniors!

FACULTY

This year, Mrs. Price had an article published in Differentiation That Really Works, a resource for teachers.

Never in the history of hot dog-kind have hot dogs been so happy to be grilled. Good tailgating there, Ms. Wellmaker!

Here, Mr. Marlow teaches his class about the economics of t-shirt sales and Van Halen.

The 2011-2012 was a year of change for the mentors of Rensselaer Central, with many of the old guard leaving for greener pastures. In fact, only two teachers from the English Department will be with us next year, which means...new faces! The southwest corner of the building will have a very different feel. In other news. congratulations should go out to Miss Lyons, who was awarded a Lily Endowment for Teacher Creativity and will be headed to Spain and Ireland this summer, and to Mrs. Schneider, next year's CHAOS faculty adviser!

The end of this school year brings another end. Four beloved RCHS teachers decided to begin their next journey into the depths of retirement homes and golf courses. These teachers have all done so much to build the reputation of our school. RCHS is sad to lose four externely talented and qualified instructors. Whatever the future may hold, we wish them well on their endeavors.

Mr. Bill Oates has taught for a total of 38 years and 26 of those years have been spent at RCHS. He plans to sleep in late, write, and spend more time with his new grandson.

ART ACCOLADES

[Rcd]efining Talent

Five talented RCHS students made such extraordinary art work that it was published in Cloth Paper Scissors, a magazine that is seen all over the world. Art Teacher Kelley Spurgeon was extremely proud of her students. Emma Messman, Luke McElfresh. Reanna Ohlund, and Colton Hendon did "A Little Me." A Little Me is a self portrait in which the students could use any material as long as the picture was under a half a pound in weight and is 6 by 6 in size. Katie Davisson cut out a print for the magazine. For the print, Katie could make it on any subject and use any materials as long as the peice was 4 by 6 in size.

3) These proud art winners are excited for their fellow classmates to see their award winning artwork. 4) Reanna Ohlund's "Little Me" masterpiece was made from pieces of magazine. 5) Katie Davisson was recognized for her print. 6) Colton Hendon's portrait was created using mixed media.

SAINT AUGUSTINE'S CATHOLIC CHURCH

Rensselaer IN

Congratulations to all graduates, and may Christ's blessings be on you always.

CLOSING

No matter what attitude we leave here with. Rensselaer Central has left its mark on all of us. The teachers and faculty who make up this place will forever hold a place in our hearts, whether it be hearing Mr. Marlow's booming voice when you're sick at home: Mr.Oates, who might be the greatest magician of all time because he pulled off the trick of making English class interesting; or the subtle but welcoming "Hello" from our principal Mr. Zimmer as you walk to your next class. Some students will choose to leave here with a relieved attitude and dismiss any somber emotions. I will, on the other hand, indeed feel relieved as most of you will, but I will also feel a great emptiness and sorrow. This school cannot physically come with me to Bloomington, but I will always carry a piece of RCHS within me. I will always be... a Bomber.

Being a Bomber means something beyond being a student at RCHS. It is community, it's not respect for your arything is, set that perfection, and most than yourself. Don't let the Bomber die out in you...
